Gulp

A lovely  
color.

It  
really  
suits  
you.

The doors  
are now  
closing.

Thank you very much.

I'll take this one, in the new color.

Is my summer uniform really so unflattering?

No, it's adorable. That's not it.

Is something upsetting you, Tomoe-san?

Not really.

It's just...

That  
lipstick  
doesn't  
suit you.

slam

Quick-  
ly, get  
changed.

Let me  
choose  
one for  
you.

...Ye-s.

I wonder  
which is  
loveliest  
...

Apricot,

gold,

beige  
is nice,  
too.

Ah!

You're  
so cute,  
Mari.

Tomoe-san,  
you're really  
skilled at picking  
the right thing  
for me...
